Internship Programme 2013-2014

VGTTA conducted Internship Programme from **02/12/2013 to 14/12/2013** in St. Theresa School, Kanya Prashala, Loni Kalbhor, Limra School-Hadapsar and Cygnet school-Hadapsar. Students were divided into four groups. Every group had one Professor as in charge. Internship is the core part of the B.Ed Curriculum in which students learn the daily activities in school. During internship students visit all the department of the school and gather information.

Inside this issue:

Internship Programme	1
Christmas Celebration	2
New Year Celebration	2
Workshop on 'Elevating Higher Education'	3
Visit to Doorstep School in Kothrud	3

CHRISTMAS CELEBRATION

VGTTA family is big lover of festivals. Christmas was also celebrated with nice activities.

The whole programme was conducted by the students. On this occasion students mentioned the importance of celebrating Christmas and the teachings of Jesus.

The students also conducted some activities and played funny games like eating golgappa in one minute etc.

NEW YEAR CELEBRATION

VGTTA continued the celebration with New year party.

On this occasion students took a review of the activities which they had conducted in six months and cherished the golden moments of micro and practice lessons.

Students also shared their new year resolutions.

VISIT TO DOOR STEP SCHOOL

VGTTA students visited the Door steps Vinod Salve arranged the visit.

The students had a talk with the Principal, teachers and students of the schools and asked questions.

The school provides opportunity of education to poor children. Our students also got the opportunity to see how the teachers in Doorstep school conduct the classes according to the need of such children.

Workshop on Elevating Higher Education

Three day's. Workshop from 26/12/2013 to 28/12/2013 was conducted in VGTTA on Elevating Learning. Students and Teachers from other branches of MIT participated in workshop. The workshop was inaugurated at the auspicious hands of Dr Sanjay Upadhyay. He shared his valuable thoughts on characteristics of Good Teachers.

Our Teachers conducted various theme based activities in the workshop. Students also took part in the activities. All the activities were based on teaching learning process.
